Sir,

Re T.½ - 30 - 29 - 4 - W - 4 - M.

Referring to the Statutory Declaration which you executed recently and medical certificate filed with regard to your recent illness, I beg to say that your homestead and preemption entries for the above described land were cancelled on the 8th ultimo, by the Agent of Dominion Lands at Calgary in the absence of a defence to the cancellation proceedings instituted on the 5th of August last.

It does not seem from the evidence submitted that you are entitled to very much consideration, but if you will within thirty days from this date fully satisfy the aforesaid Agent that you have established actual bona fide residence on the land in a habitable dwelling house the Department will favourably consider the question of restoring the entries and allowing you another opportunity of completing the duties.

On the other hand should you fail to comply with the foregoing instructions, it will be considered that your claims to consideration shall have lapsed and the Agent will then dispose of the land in the usual way without further notice.

Your obedient servant,

Assistant Secretary.

Clerk of the Privy Council

To the Honourable
The Minister of the Interior

Published in *The Canada Gazette* of 14th February 1931 Vol 64 No 33 for the fourth consecutive week

case of Edward Felts, file No. 2544785 herewith, which formed the basis of the reference out of which arose Mr. Matheson's decision previously referred to.

I am unable to offer any explanation to account for the use of the term "upon application" appearing in the Order in Council of the 29th May, 1925, P.C. 828. The words appear to have had no special significance at the time, certainly not as is now imputed to them. Conceding the point, however, that a refund should not be considered except upon application in cases of conversion subsequent to the passage of the Order in Council referred to, it might be pointed out that the cases around which the present controversy has arisen were dealt with prior to the date of the Order in Council, and should not be made subject thereto at the present time. The fact that the usual practice was not followed of immediately making a refund to the Board must be attributed to oversight in a matter of general routine.

The cases which I have submitted for your consideration during the past month, some of which I may say have been passed, are but few in number which we detected in the general check which we undertook recently of charged lands. This work is now completed and it is not likely that any other cases will arise and, in so far as this office is concerned, no other cases can arise, and I submit that in view of our undertaking with the Board - which you will please recollect was based on the original procedure as outlined - the Department is morally committed and should close the matter out for the benefit of the settler.

I understand there are ample funds in our appropriation to meet all cases which may arise before the close of the present fiscal year. On the other hand, the position of the Department with regard to honouring claims of this nature after the 31st instant is not so apparent. Heretofore and at present refunds are made out of our general account, but as the source of revenue has practically dried up since the transfer of the Natural Resources it may be stated - subject to correction - that special provision by Contingency Vote may be necessary to take care of refunds of any kind when the new fiscal year opens. In the absence of a Contingency Fund, as suggested, presumably each item will have to be placed in the estimates. As stated, however, any remarks of mine on fiscal matters are subject to correction, but the thought I seek to convey is worthy of consideration.

It should be borne in mind that refunds from this Department to the Board involve no loss of revenue to the Exchequer, being merely a transfer from one Department to another. On the other hand, the settler concerned stands to benefit and as this was the real object of the institution of conversions, I respectfully submit that the Department cannot in honour found repudiate its obligation.

Ottawa, 20th March, 1931.

Memorandum: Mr. Perrin.

Referring to the question of a refund in the case of a pre-emption or purchased homestead converted into a soldier grant, and to Mr. Fitzsimons' note on your memorandum of the 4th instant on file No. 2123242 herewith, that in reference to the Order in Council of the 14th January, 1931, P.C. 2329, provision is made for refunds only "upon application", may I be permitted to briefly review the circumstances.

The privilege of conversion in this connection was instituted shortly following general demobilization of the Canadian Expeditionary Force early in 1919. Under the initial practice, the settler converting was granted a refund of the purchase price. In September, 1921, however, the option of converting was made conditional upon the entrant completing payment of the purchase price and interest, as provided under his original entry. Inasmuch as the primary purpose in converting was to escape payment, this reversal of policy was not popular, and in June, 1923, the original practice was re-established, that is to say, a qualified returned soldier was permitted to convert his pre-emption or purchased homestead without completing payment.

The problem as it existed at the time was fully reviewed in Mr. Hume's memorandum of the 8th April, 1924, on file No. 2544785 herewith, marked.

Owing to a number of anomalies having arisen through the change in practice, all of which were reviewed in the memorandum referred to, the late Mr. Matheson in his memorandum of the 5th May, 1924, outlined the policy which should be pursued in future.

On file herewith you will find attached copy of the circular letter of the 16th May, 1924, outlining the procedure to be followed in future, and I might particularly draw attention to the fact that no question was ever raised as to the right of the entrant to a refund of the monies paid by him to complete the conditions of purchase. As a matter of fact, the act of abandonment of the pre-emption for the purpose of converting the entry into a soldier grant was and is in my opinion tantamount to an application for a refund. In any event, the Department acted on that principle and anyone who cares to go to the trouble of consulting the files will find that it was the practice, as a matter of routine, to turn over to the Soldier Settlement Board any monies on deposit to the credit of the entrant to apply on his loan account. In proof of this statement, I cannot do better than refer to the

.....Case.....

In the other case - that of A. J. Clegg - the amount is only $24.60, and, of that, $7.72 is being taken to wipe out a seed grain balance.

In both these cases the money is going to the Soldier Settlement Board to reduce the amount of the soldier's indebtedness, but, of course, this is equivalent to handing the money over to the settler himself. In both cases I recommend that the action be completed.

Future cases of a like nature.

There remains for consideration the question of other possible cases coming up in the next fiscal year. We have no guarantee that there may not be a dozen men making application in the next fiscal period for a refund of sums paid by them years ago. There are, I understand, some half dozen cases where men have already asked for a refund and have been called upon to furnish certificates of attestation and the necessary evidence on Form W351 that they are entitled to soldier grant entry.

Where is the money to come from in cases of this kind? Should not some provision be made in the estimates. It will be a difficult matter to name a definite sum. This is only part of a larger question which involves refunds of improvements to former holders of homesteads. These refunds are going more constantly out of current revenue.

I suggest that the whole matter be taken up with the Financial Controller, and unless some arrangement can be arrived at whereby refunds shall continue to be made out of the general revenue of the Department, a sum of possibly $25,000 should be provided to cover any cases which may arise in the fiscal period 1931--1932.

Before discussing the general question, might I suggest that we be authorized to make the two refunds which are the question before the end of the present month.

Assistant Commissioner.

DEPARTMENT OF THE INTERIOR

OFFICE OF THE COMMISSIONER OF DOMINION LANDS

23rd March, 1921.

Memorandum:

Mr. Gibson.

Two cases have arisen where men holding re-emptions were permitted to convert them into Soldier Grants, but the amount paid in each case on account of the purchase price was never refunded.

These cases were detected in a general check of Soldier Loan cases recently conducted in the Land Settlement Subdivision. The amount in one case is $68, and in another $24.00.

An Order-in-Council was passed on the 14th January last amending the regulations under this head, and providing that any holder of a pre-emption or purchased homestead, who is permitted to convert his entry into a soldier grant, may upon application get a refund.

The point was raised that these two men had not made application for the money, but, on looking through the file of George Hornett I find that as far back as 1920 he had asked the Agent at Calgary for a refund, but his application was refused in accordance with the practice as it then existed. Mr. Hornett is the man who paid $68, and I see no reason why the refund should not be completed in the manner recommended on this file.

Mr. Martin.

The Assistant Commissioner's recommendation of the 23rd instant, on file [illegible], herewith, that the monies paid by Messrs. Hornett and Sigrs on account of the purchase price of their pre-emptions which they were later permitted to convert into soldier grants be transferred to the Soldier Settlement Board, is approved.

The general question of providing funds from which refunds of this nature can be made next fiscal year is being dealt with in a separate memorandum.

Dear Sir,-

Re: George Hornett,
S.E.¼ 23-31-4-W.4th.

The above described quarter section is Hornett's soldier grant entry to which he has earned patent but title has not issued because of the charge registered against it under Section 26 of the Soldier Settlement Act.

The S.W.¼ 23-31-4-W.4th the settler's patented homestead on which our security took the form of a first mortgage has been allowed to revert to the taxing authorities at tax sale and in order to close out the account the District Superintendent at Calgary has recommended release of our charge on the soldier grant. He points out that the parcel is situated in a district practically abandoned, that it has a nominal value of about $80.00 and is considered unsaleable.

The settler abandoned his enterprise in 1933 and is now resident in Nelson, B.C. He has no intention of resuming farming as an occupation and on March 1st last executed a formal Declaration of Abandonment in duplicate, a copy of which is enclosed herewith.

It is understood that the result of the acceptance of this Declaration by you and the release of our charge ultimately would be the transfer of the land to the Province and if this is the position, I would ask that you accept this letter as formal authority to release our charge against the quarter section.

Yours very truly,

Superintendent of

THE GOVERNOR GENERAL IN COUNCIL:

The undersigned has the honour to report:

That Section 13 of the Alberta Natural Resources Transfer Agreement (ratified and given the force of law by the British North America Act, 1930) provides that all interest in Crown lands in the Province, upon the security of which any advance has been made under the provisions of the Soldier Settlement Act and amending Acts, shall continue to be vested in and administered by the Government of Canada for the purposes of Canada; and

That a charge made against the South East quarter of Section 23, Township 31, Range 4, West of the 4th Meridian, to secure loans advanced under the Soldier Settlement Act prior to the transfer of the natural resources, was recently withdrawn.

The undersigned is of the opinion that it would be in the public interest to place the Province of Alberta in a position to administer this land along with those already transferred, and, therefore, begs to recommend that the interest of the Crown in the South East quarter of Section 23, Township 31, Range 4, West of the 4th Meridian, in so far as such interest is now vested in the Crown in the right of the Government of Canada, be transferred to the said Province, subject to any trusts existing in respect thereof, and to any interests other than that of the Dominion in the same.

[illegible]

Dear Sir,

Re File [illegible]

In reply to your letter of May 16th, re above land, would say to state that Mr. Bellet has requested me to write you that at the present time it is simply impossible for him to make any payment on this land.

Owing to the very light crops that this district has grown these past six years, it has become a serious problem to even get a living, without attempting to pay out on this land, indeed so many have already abandoned their farms that it is feasible to be a question as to whether it will pay to even attempt to keep land in these parts.

Mr. Bellet has been doing all that anyone could, to live and pay what he could and is still keep carrying on to the best of his ability. If the country ever comes back and enough crops can be raised to enable those men to make a living, I am sure he will eventually pay all that is due the Government. Otherwise the land will not be worth paying for.

I would suggest that you let this matter stand over until next fall, as by that time we will know what kind of a crop we have. If a good crop, most of these men on these lands will stay, if a poor crop, fifty per cent of them will abandon them and move to others parts.

Yours truly,

To

I beg to inform you that your entry for the quarter of Section

Township Range West of the Meridian is now liable to cancellation under the provisions of Section 26 of the Dominion Lands Act, for failure to apply for patent within five years from the date of entry.

If you have completed the settlement duties prescribed by the Dominion Lands Act, it will be necessary for you, within sixty days from this date, to make application for patent in the ordinary way at this office or at the office of the Sub-Agent of Dominion Lands. If you make such application for patent at the Sub-Agent's office it must be made in time to reach this office before the expiry of the 60 days hereby allowed.

If you have not finished the required duties you should at once fill up and forward here a defence on the enclosed form of Statutory Declaration. This form must be properly filled in and executed before a J. P. or Commissioner in B.R., and if possible, it should be corroborated by two reliable and disinterested witnesses who know the facts. Your statements should be full and accurate in *all respects, and you should be particularly careful* to show where you have been residing since you obtained your entry and exactly what you have done upon the land each year as to residence, cultivation and improvements. The declaration, duly completed, must be filed in this office within sixty days from this date.

If you have been on military service please give regimental number and battalion number.

Persons who are debarred by law from obtaining naturalization for a period of ten years after the close of the late war, and persons who are unable to obtain naturalization because of insufficient knowledge of English or French, may apply to any Judge of any Superior Court or any Circuit, District or County Court for a Certificate in Form K. The value of this Certificate and the method of obtaining it are fully set forth in the memorandum enclosed.

If you are debarred from securing naturalization, as above specified, you are hereby required to make immediate application to the proper Court for a decision that you are qualified and fit to receive patent as far as naturalization is concerned. When making such application please ask the Clerk of the Court to complete the enclosed form and hand the same to you. The form, after being filled up and signed by the Clerk of the Court, is to be returned to me at once.

If you are prevented, by reason of sickness or other unforeseen and exceptional circumstances, from making application before the Judge within the next sixty days you should at once furnish me with a Medical Certificate or Statutory Declaration showing the facts.

Re . No. 2-31-6, W4

You are reminded that payment has not been made of the seed grain indebtedness incurred by you over ten years ago, and in view of the fact that a fair crop was produced on the land this past season, it is considered that your account should be paid in full, or at least considerably reduced from the crop revenue. You are requested to inform me as to your intentions in this matter.

The account on the 31st of March last stood at $543.45, and to this is to be added interest at the rate of five per cent from the date mentioned on the original sum of $330.90.

"A Mr. L.A. Robbins of Sedalia had had, and pre. "rented from entrant for 1925 on a fifty-fifty basis. "The yield was 210 bus. Entrant got 30 bus. Loan "Co. took balance of his share. Recommend cancellation "proceedings be instituted. Land rolling, suitable for "had. if person has other land in the vicinity. Other- "wise recommend for grazing."

This man is blind and has evidently gone into debt and although he had a fairly good crop this season you will note that the Loan Company took all of his share with the exception of 30 bushels.

In view of the above, please say whether Mr. Hallett should be granted a final notice to complete payments or whether he should be requested to state his intentions with regard to the sale.

You will note that he is also indebted to the Department for Seed Grain.

His man seems to be trying to hold on, in spite of being blind. Suggest he is granted to 15th May next to show that land is being farmed with intention of making payment out of proceeds of crop. If not

As it appears that no response has been received to the several communications addressed to this man at Cereal in connection with his 1915 seed grain, fodder and relief indebtedness amounting to $354.0 - interest calculated to the 31st March last, it would be well to note this case for special attention to collection this coming season.

I might add that with reference to Homestead Inspector's report dated November 25th last, it appears that the Lienor had rented the above land, his homestead and pre-emption, to one W. A. Robinson.

I had the Homestead Inspector out here the other day he made a complaint about Mr Hallett not answering correspondence with the department. I promised to write & give the reason.

Mr Geo. Hallett has been blind for some considerable time & totally unable to do so

I leased his farm last April for three years & now I am informed by the Homestead Inspector that it is against the rules of the department to lease unpatented lands. Will it be necessary for me to get a new lease or would you give permission for it to remain as it is.

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:

(1) of Canada—and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,

(2) of His Majesty or of any of His Majesty's Allies— and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada in a theatre of actual war; or,

(3) of His Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force, or has been permitted to honourably resign or return therefrom, or, without fault on his part, has been dispensed from further service therein and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the evening of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received:

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Sir:

Referring to the several letters addressed to the Licence in care of C. H. Ford, it appears that to this late date no response has been received.

According to Inspector Newcombe's report, dated July 17th, 1936, the land was then rented to this man Ford on a 50-50 basis, Mr. Ford is the son-in law of the original debtor and is now the present Lessee of the N. W. ¼, under ranch No. 18548, and remitted the sum of $5.00, in payment of the improvements left on this quarter section by George Hallett, the former entrant, which has been applied against Hallett's Seed Grain account, leaving outstanding the balance of $372.05, with interest computed to the 31st of March 1938.

I would suggest that the case be kept under observation this year so that collection may be effected, advising this office as to the result.

Re N.E.2-31-6-W.4th,
Homestead - George Hallett -
Patented 5th March, 1914
N.W.2-31-6-W.4th,
Pre-emption - George Hallett -
Cancelled 13th October. 1926 -
Now under lease to Charles H. Ford.

With reference to the communication hereunder dated the 18th ultimo from Messrs. Osler, Hammond & Nanton, Limited, of Winnipeg, Man., wherein it is stated that they hold a mortgage against the N.W.2-31-6-W.4th in the amount of $799.23 with interest at 8%, which mortgage has been overdue since 1st December, 1924; further that the Lienee has the farm rented to his son-in-law and they hold an assignment of the rent -

In 1915 George Hallett obtained advances of seed grain, fodder and relief on the security of the N.½-2-31-6-W.4th, and the amount outstanding with interest computed to the 31st proximo is $383.60.

Security

N.W.2-31-6-W.4th.

This is the Lienee's patented homestead, against which the Liens are duly registered according to Abstract of Title on file dated the 5th April last. In a Homestead Inspector's report dated 17th July, 1926, it is stated that the Lienee is practically blind and unable to work and in poor shape financially; he has the land rented to his son-in-law, C. H. Ford, on a fifty-fifty basis from April, 1926, to March 15th, 1929. In further reports obtained in June and December last the improvements on this quarter are described as: house - $350.00, stable - $125.00, granary - $30.00, shed - $10.00, fencing - $20.00, well - $10.00, and 120 acres breaking - $360.00, totalling $905.00; it is stated that the Lienee's share of the crop goes to Messrs. Osler, Hammond & Nanton.

-N.W.2-31-6-W.4th-

N.W.2-31-6-W.4th.

This was the Lienee's pre-emption, which was cancelled, and is now held under grazing lease by C. M. Ford, presumably the same person who has the N.E.¼ rented. A Homestead Inspector's report in connection with this quarter obtained in June, 1928, indicates that there are no improvements or cultivation on this quarter.

In taking an assignment on the rent due Mr. Hallett - which ap arently consists of one-half the proceeds of the crop - Messrs. Osler, Hammond & Nanton would seem to have overlooked the priority of the Department's claim; and I would suggest - unless it is decided to initiate seizure proceedings in connection with next year's crop - that they be advised that it will be necessary for them to divide the proceeds with the Department.

Your file 14-1-4.

Gentlemen:

Your communication dated the 14th January last addressed to the Agent of Dominion Lands at Calgary has been forwarded to this office for attention.

It is noted therefrom that Mr. Hallett has sold land vested to his son-in-law and that you hold an assignment of the rent on account of a mortgage for $722.25. In this regard I beg to advise you that Section 5 of the Seed Grain Act of 1914 reads as follows:-

"The moneys agreed to be paid by any person for seed grain, fodder for animals or other goods by way of relief in consideration of the advance to him by his Majesty the King in the right of the Dominion of Canada (hereinafter called His Majesty) of such seed grain, fodder for animals or other goods by way of relief together with interest thereon at the rate of five per centum per annum until paid, shall be a debt due by such person to His Majesty and shall be a charge upon any real property of such person and upon any crop of any kind now growing or hereafter grown on any land by such person, having priority over all other liens, taxes, charges or other incumbrances, whenever created, upon such crop, and, in so far as such moneys are agreed to be paid in consideration of the advance of seed grain and fodder for animals, having priority over all other liens, taxes, charges and other incumbrances, whenever created, upon such real property.

Seed.

"Such charge shall be in addition to any other remedy which His Majesty may have to enforce payment of the said amount and shall be capable of enforcement by seizure and sale of the said real property or crop when growing or when cut, under warrant signed by the Minister of the Interior of Canada (hereinafter called the Minister), or by any one authorized by him to sign such warrant wherever and whenever any of the said property may be found."

Messrs. Osler, Hammond & Nanton, Ltd.,
Winnipeg, Man.

-It would-

It would seem that you have overlooked the priority of the Department's claim, and it is hoped that you will arrange with your client to reduce the outstanding seed grain, fodder and relief indebtedness without requiring the Department to protect itself under the provisions of the Seed Grain Act.

For your information I am enclosing herewith a statement of the indebtedness with interest computed to the 31st instant, and your early advice in the matter will be appreciated.

Re: Account of George Hallett,
N.E. 2-31-6-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and fodder amounting to $230.90 were advanced to George Hallett on the security of the above mentioned land. A payment of $5.00 was received in 1927 and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$ 230.90	$ 429.78	$ 660.68

Patent was issued in the name of George Hallett for the N.E. 2-31-6-W.4th on the 5th of March, 1914, later becoming subject to the 1915 liens. The N.W. 2-31-6-W.4th was formerly the pre-emption entry of the debtor whose entry was cancelled on the 4th of October, 1926, and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 24th of September, 1953, The Director of Assessments, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"The North West quarter is unalienated Crown land which is presently occupied under Cultivation Lease from this Department, while title to the North East quarter is vested in this Department, having been acquired through Tax Recovery proceedings and is occupied at present under Grazing lease from this Department. This land is located in that part of the Province designated Special Areas and in view of this fact there is little likelihood of sale ever being made of same."

The information obtained indicates that the land is such that it is unlikely to be used for farming purposes or disposed of by sale in the near future and no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Nevertheless the Minister is disposed to grant the request, provided it can be established that successful farming operations could not be conducted on the land. The substitution and affidavit are on typewritten, the affidavit being on separate paper to the substitution declaration. As near as we can see there is no point upon which an objection would be raised in connection with the wording of the document, the point upon which we are doubtful is whether the Department will accept an affidavit of a witness on a second or later entry when it is stated in the document that the witness saw the "(within)" document signed.

Mr. Hume:

E. ½ of Sec. 5-27-4, W. 4th M.
Application for patent of H. G.
Taylor. Recommended.

In the evidence of witness J. L. Tupper, who holds entry for the E. ½ of Section 5-27-4, W. 4th M., the description of the applicant's land is given as the E. ½ of Section 5-27-4, W. 4th M., which is apparently a clerical error.

Please say if it will not be sufficient for this correction to be made and initialled by the Agent, or if it will be necessary to call upon the witness to appear and be re-sworn when the correction in the description of the land is made.

[illegible]:

I submit a number of cases where there are clerical errors in applications for patent in the description of the land made either by the applicant or by one of his witnesses.

Sometime ago you advised me to await the settlement of the general question and I understand a reference has been made to the Department of Justice, but do not know on what file, or by whom made, but probably by the [illegible] Clerk.

In the meantime possibly it might be advisable to dispose of the cases now pending in order to avoid undue delay.

The circumstances of each case are set forth on the face of the file and you may feel inclined to accept the evidence, provided a correction is made in each case and initialled by the officer who took the statement.

If the decision when given makes it necessary to have the parties sworn again, such decision could be applied to cases coming up thereafter.

If, however, you prefer to hold these cases over, kindly return them to me and they will be noted.

Respectfully submitted,

J. B. Greenway, Esq.,
Commissioner of Dominion Lands,
Department of Interior.

Mr. E.M. Medlen,
Dominion Member,
Seed Grain Advisory Board.

Re: Account of Robert Holliston
N.W. 13-28-3-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919 and 1920 seed grain amounting to $540.93 was advanced to Robert Holliston on the security of the above mentioned land. Payments of $10.90 and $7.00 were received in 1930 and applied to the interest. The present standing of this account is:

Principal	Interest	Total
$ 540.93	$ 1,257.83	$ 1,798.76

The N.W. 13-28-3-W4 was formerly the homestead entry of the debtor whose entry was cancelled and the land is still unalienated Crown Land held in the right of the Province.

This quarter section is now under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is still vacant and no longer being operated. It is not assessed as of any value or subject to taxation. As such the land no longer offers any security of value for our advances.

Under the circumstances it is recommended that the indebtedness be cancelled.

C.W. Gilchrist.

Sir,

I beg to enclose herewith your homestead and pre-emption receipts covering the north-east 27 and the south-east 34-32-6-w-4th mer. and in this connection beg to state that I have interchanged your entries, so that you now hold homestead entry for the first mentioned, and pre-emption entry for the latter mentioned quarter section. The Department, and the sub-agent at Stettler, are being advised of this transaction.

In connection with your desire to secure protection of your entries, I am to say that your wishes in this connection cannot be met, as you do not appear to have done anything as yet in the way of actual residence upon your own land, as required by the regulations, and unless you go into residence at once and perform your duties in a bona fide manner, it may be necessary to take cancellation proceedings. Residence on your father's land cannot be counted to your credit inasmuch as you hold pre-emption entry.

This Department has a seed grain, roller and fodder mortgage charged against the above noted land for advances made to P. Maddock in 1915. We are endeavouring to settle these old accounts and it would be appreciated if you could supply us with an up-to-date Abstract of the title of this land.

Re: Account of D. Maddock
NE 27 & SE 34-32-6 W.4.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain, fodder and relief amounting to $310.20 were advanced to D. Maddock on the security of the above mentioned land. A payment of $97.65 was received in 1916, and applied to the principal and interest. The present standing of this account is :-

Principal	Interest	Total
$ 214.55	$ 418.04	$ 632.59

Patent was issued in the name of Delbert Maddock for the N.E. 27-32-6 W. 4 on the 11th of April, 1914, and for the S.E. 34-32-6 W. 4 on the 29th of April 1918, subject to the 1915 liens.

In reply ot our questionnaire of the 20th of May 1952, J. H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"Title to the SE¼ 34 is presently vested in this department having been acquired through proceedings under the Tax Recovery Act and is occupied at present under a grazing permit. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The N.E. 27-32-6 W. 4 is $419.78 in arrears of taxes and is under tax foreclosure proceeding for nonpayment. This quarter section os also very poor land and is assessed for only $320.00 and to date the municipality has not bothered to acquire title.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

W. J. Taylor.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment and the liens discharged.

SOLDIER SETTLEMENT OF CANADA

Ottawa, Ont.

October 1[illegible]th, 1931.

MEMORANDUM:

Request for transfer of Dominion Lands under Section 27 of the Soldier Settlement Act.

Re: S.E.¼ 4-31-6 W.4th,
Homestead - [illegible] Blair.

This settler was established with a loan in October 19[illegible], and in the course secured advances totalling $[illegible], as follows:

Land	$ 1,[illegible].00
Permanent Improvements	[illegible].00
Stock and Equipment	1,[illegible].[illegible]
Special Advances	1,10[illegible].11
	$ 3,[illegible].[illegible]

The charge created against the land is an effective one under Section 28 of the Act, as all the advances were made subsequent to the date of entry. The only other land security is N.W. 12-31-6 W.4th, title to which is vested in the Director of Soldier Settlement.

This settler commenced operations on the farm with every intention of making a success of his undertaking. He, however, was unfortunate with his crop, due to climatic conditions, and apparently lost all interest in the farm as he subsequently left it and obtained a position with an elevator company in Saskatchewan. An effort was made to have the settler return to the farm, but without success. This settler's agreement was rescinded pursuant to a Quit Claim Deed executed by him on the 17th of June, 1930.

This settler's indebtedness amounts to $2,681.93. Every effort has been made to dispose of the quarter section purchased for the settler, but without success. This land is valued at $[illegible].00. The homestead is valued at the present time at $1,2[illegible].00. No arrangement has been made for the disposal of this quarter section and no offers have been received.

Pursuant to the provisions of Section 27 of the Soldier Settlement Act, and in view of the powers vested in the undersigned, under the amendment of 1931 to the Act, it is requested that the right, title and interest of the settler, in the above land, be forfeited and the right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said entered land be vested in the Director of Soldier Settlement of Canada.

A Vesting Order for signature is enclosed herein.

Unpatented pre-emption.

I beg to acknowledge receipt of your letter of the 14th ultimo and in reply beg to quote for your information the following amendment which was made to the Dominion Lands Act during the last session of Parliament:-

"Provided further that notwithstanding "anything contained in this subsection any person, "on the first day of January, 1923, had obtained letters "patent for a homestead, within that part lying south "of the south boundary of township thirty-one of the "tract known as the pre-emption and purchased homestead "area, and defined by subsection one of section twenty-"seven of the Dominion Lands Act, but who is no longer "the owner of a farm, may, in the discretion of the "Minister, be granted the right to make entry for another "homestead subject to the provisions of this Act, upon "submitting proof of his bona fides as a settler in the "form of a certificate from the Government of the Province "setting forth that the said applicant conscientiously "endeavoured to farm his land but failed because of "circumstances not favourable to successful agriculture".

If, after reading the foregoing you are satisfied that you are eligible to enter homestead, you should communicate with the Provincial Authorities as they must approve of your application before you can make a selection of other land and before such selection can be confirmed by this Department. You should communicate with the Minister of Agriculture at Edmonton, Alberta, giving him full particulars of your case.

In any event you could only be able to take up one available quarter-section outside the tract described in the amendment and before your selection could be confirmed you would have to prove to the Department that you had effectively divested yourself of all interest in all your land holdings including your patented homestead in the "Dry Area". You would also have to voluntarily abandon your unpatented pre-emption.

Re: Account of Daniel Schmidt,
N.W. 21-26-6-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and relief amounting to $131.95 were advanced to Daniel Schmidt on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 131.95	$ 247.84	$ 379.79

Patent was issued in the name of Daniel Schmidt for the N.W. 21-26-6-W.4th on the 12th of May, 1916, subject to the 1915 liens.

In reply to our questionnaire of the 24th of September, 1953, The Director of Assessments, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"Title to this parcel is vested in this Department, having been acquired through Tax Recovery proceedings. This land, vacant at present, is located in that part of the Province designated Special Areas and in view of this fact there is little likelihood of same being utilized for any purpose other than grazing or any disposition made other than by lease agreement."

The information obtained indicates that the land is such that it is unlikely to be used for farming purposes or disposed of by sale in the near future and no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $100.80 were advanced to M.H. Norris on the security of the above mentioned land. Payments of $20.90, $50.00 and $50.00 were received in 1915, 1928 and 1929, respectively, and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$ 37.39	$ 36.36	$ 73.75

The S.E. 21-29-2-W.4th was formerly the homestead entry of the debtor on which security the 1915 advances of seed grain, fodder and relief were obtained.

In reply to our questionnaire of the 11th of July, 1952, the Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, advised that this quarter section is assessed in the name of M.H. Norris and is of low value being assessed for only $340.00.

Payments amounting to $120.90 were received by 1929, leaving only a small balance of $37.39 outstanding.

In view of the substantial payments already received it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

Re: Account of D. Maddock
NE 27 & SE 34-32-6 W.4.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain, fodder and relief amounting to $310.20 were advanced to D. Maddock on the security of the above mentioned land. A payment of $97.65 was received in 1916, and applied to the principal and interest. The present standing of this account is :-

Principal	Interest	Total
$ 214.55	$ 418.04	$ 632.59

Patent was issued in the name of Delbert Maddock for the N.E. 27-32-6 W. 4 on the 11th of April, 1914, and for the S.E. 34-32-6 W. 4 on the 29th of April 1918, subject to the 1915 liens.

In reply to our questionnaire of the 20th of May 1952, J. H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"Title to the SE¼ 34 is presently vested in this department having been acquired through proceedings under the Tax Recovery Act and is occupied at present under grazing permit. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The N.E. 27-32-6 W. 4 is $419.78 in arrears of taxes and is under tax foreclosure proceeding for nonpayment. This quarter section is also very poor land and is assessed for only $320.00 and to date the municipality has not bothered to acquire title.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

W. J. Taylor.

Ottawa, 1 November, 1954.

N.E. 27 [illegible] 34-32-6 W. 4.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment and the liens discharged.

Memorandum,

Mr. Hume.

N.W.¼ 8-31-6-W.4th M.,
Pre-emption of Geo. Hallett,
Date of entry - 21st April, 1910.

According to the application for patent all duties have been completed. A Certificate of Recommendation was issued which expired on the December, 1921.

Cancellation proceedings were instituted on the 6th July, 1923. The Certificate of Recommendation is on file in this office.

On the 26th July, 1923, Mr. Hallett made application for an extension of time to complete payments.

Inspector Tempany reported in December, 1923,-

"This man is blind and living with his son-in-law "at Cereal. The land is rented to Nels Iverson and I "understand that they have had a crop failure for the "past five years but in the event of a crop next year, "should be in a position to make a payment."

In another report dated the 2nd June, 1924, the Inspector stated,-

"This man is living upon his land at the present "time and with the assistance of his son-in-law, is "farming the land himself this year."

Patents Branch reports $86.92 principal and interest due the 1st November last.

Inspector Murcombe reported on the 28th November last,-

House ---------- $350.00.
Stable ---------- $190.00.
Granary -------- $ 45.00.
Fencing on Hsd.- $ 40.00.
" on pre.- $ 20.00.
100 acres broken on Hsd. valued at $300.00.
Breaking on pre-emption gone back.

- "General Remarks" -

General Remarks.-

"A Mr. W.A. Robbins of Sedalia had had. and pre. "rented from entrant for 1925 on a fifty-fifty basis. "The yield was 2100 bus. Entrant got 300 bus. Loan "Co. took balance of his share. Recommend cancellation "proceedings be instituted. Land rolling, suitable for "had. if person has other land in the vicinity. Other- "wise recommend for grazing."

This man is blind and has evidently gone into debt and although he had a fairly good crop this season you will note that a Loan Company took all of his share with the exception of 300 bushels.

In view of the above, please say whether Mr. Hallett should be granted a final notice to complete payments or whether he should be requested to state his intentions with regard to the same.

You will note that he is also indebted to the Department for Seed Grain.

The homestead inspector who recently visited the above land has reported that Mr. C. H. Ford of Naco, has rented the above described land from you on a basis whereby you receive one-half of the crop produced. As the seed grain indebtedness charged against this land in favor of the Department has been outstanding for some time it is desired to have the indebtedness liquidated from the proceeds of this season's crop, and I would ask you therefore, to furnish me with an order on your tenant to turn over to this Department an amount received from the sale of your share sufficient to meet your obligations. Sir:

Referring to the several letters addressed to the Licensee in care of C. H. Ford, it appears that to this late date no response has been received.

According to Inspector Newcombe's report, dated July 17th, 1926, the land was then rented to this man Ford on a 50-50 basis. Mr. Ford is the son-in law of the original debtor and is now the present lessee of the N. W. 4, under ranch No. 18548, and remitted the sum of $5.00, in payment of the improvements left on this quarter section by George Ballett, the former entrant, which has been applied against Ballett's Seed Grain account, leaving outstanding the balance of $372.00, with interest computed to the 31st of March 1933.

I would suggest that the case be kept under observation this year so that collection may be effected, advising this office as to the result.

Dear Sir:

Re Geo. Hallett - NE 2-31-4-W4 - T.1814

We are in receipt of your letter of the 16th instant with reference to the seed grain, fodder and relief liens registered against the above land.

This Company has a mortgage on the above land, the principal of which stands at $799.23. The interest is at 8% and the mortgage overdue since 1st December,1924.

Mr. Hallett is, we understand, a very old man and almost blind, and he rents the farm to his son-in-law, and we hold an assignment of the rent. We are anxious that our loan should be paid in full. The money is invested for a client who is withdrawing funds invested in mortgages. We have Grower's Certificates for 407 bushels of wheat, and when the interim payments are received from the Wheat Pool there will be sufficient to somewhat reduce the mortgage principal. We have to state, however, that we would like our loan repaid as quickly as possible, and we can advise you when this has been done.

Yours truly,

Re N.E.2-31-6-W.4th,
Homestead - George Mallett -
Patented 5th March, 1914
N.W.2-31-6-W.4th,
Pre-emption - George Mallett -
Cancelled 15th October, 1918 -
Now under lease to Charles H. Ford.

With reference to the communication hereunder dated the 16th ultimo from Messrs. Osler, Hammond & Nanton, Limited, of Winnipeg, Man., wherein it is stated that they hold a mortgage against the N.W.2-31-6-W.4th in the amount of $799.25 with interest at 6%, which mortgage has been overdue since 1st December, 1924; further that the Lienee has the farm rented to his son-in-law and they hold an assignment of the rent -

In 1915 George Mallett obtained advances of seed grain, fodder and relief on the security of the N.E.2-31-6-W.4th, and the amount outstanding with interest computed to the 31st proximo is $358.69.

Security

N.E.2-31-6-W.4th.

This is the Lienee's patented homestead, against which the Liens are duly registered according to statement of title on file dated the 5th April last. In a Homestead Inspector's report dated 17th July, 1928, it is stated that the Lienee is practically blind and unable to work and in poor shape financially; he has the land rented to his son-in-law, C. H. Ford, on a fifty-fifty basis from April, 1928, to March 15th, 1929. In further reports obtained in June and December last the improvements on this quarter are described as: house - $[illegible], stable - $125.00, granary - $[illegible], shed - $[illegible], fencing - $[illegible], well - $10.00, and 120 acres breaking - $[illegible], totalling $905.00; it is stated that the Lienee's share of the crop goes to Messrs. Osler, Hammond & Nanton.

-N.E.2-31-6-W.4th-

W.W.H-Fl--T.H.

This was the licensee's pre-emption, which was cancelled, and is now held under grazing lease by [illegible] T. [illegible] Ford, presumably the same person who was the [illegible] wanted. A Homestead Inspector's report in connection with this quarter obtained in June, last, indicates that there are no improvements or cultivation on this quarter.

In taking an assignment on the rent due Mr. Mallett - which apparently consists of one-half the proceeds of the crop - Messrs. Osler, Hammond & Nanton would seem to have overlooked the priority of the Department's claim; and I would suggest - unless it is decided to initiate seizure proceedings in connection with next year's crop - that they be advised that it will be necessary for them to divide the proceeds with the Department.

Re - Geo. Hallett

Your Ref. I. 1214.

Gentlemen:

Your communication dated the 18th January last addressed to the Agent of Dominion Lands at Calgary has been forwarded to this office for attention.

It is noted therefrom that Mr. Hallett has this land rented to his son-in-law and that you hold an assignment of the rent on account of a mortgage for $799.23. In this regard I beg to advise you that Section 3 of the Seed Grain Act, 1915 reads as follows:-

"The moneys agreed to be paid by any person for seed grain, fodder for animals or other goods by way of relief in consideration of the advance to him by His Majesty the King in the right of the Dominion of Canada (hereinafter called His Majesty) of such seed grain, fodder for animals or other goods by way of relief together with interest thereon at the rate of five per centum per annum until paid, shall be a debt due by such person to His Majesty and shall be a charge upon any real property of such person and upon any crop of any kind now growing or hereafter grown on any land by such person, having priority over all other liens, taxes, charges or other incumbrances, whenever created, upon such crop, and in so far as such moneys are agreed to be paid in consideration of the advance of seed grain and fodder for animals, having priority over all other liens, taxes, charges and other incumbrances, whenever created, upon such real property.

"Such charge shall be in addition to any other remedy which His Majesty may have to enforce payment of the said amount and shall be capable of enforcement by seizure and sale of the said real property or crop when growing or when cut, under warrant signed by the minister of the interior of Canada (hereinafter called the minister), or by any one authorised by the minister to sign such warrant wherever and whenever the said property may be found."

It would seem that you have overlooked the priority of the Department's claim, and it is hoped that you will arrange with your client to reduce the outstanding seed grain, fodder and relief indebtedness without requiring the Department to protect itself under the provisions of the Seed Grain Act.

For your information I am enclosing herewith a statement of the indebtedness with interest computed to the 31st instant, and your early advice in the matter will be appreciated.

Your obedient servant,

Acting Commissioner of Dominion Lands.

Re: Account of George Hallett,
N.½ 2-31-6-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and fodder amounting to $230.90 were advanced to George Hallett on the security of the above mentioned land. A payment of $5.00 was received in 1927 and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$ 230.90	$ 429.78	$ 660.68

Patent was issued in the name of George Hallett for the N.E. 2-31-6-W.4th on the 5th of March, 1914, later becoming subject to the 1915 liens. The N.W. 2-31-6-W.4th was formerly the pre-emption entry of the debtor whose entry was cancelled on the 4th of October, 1926, and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 24th of September, 1953, The Director of Assessments, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"The North West quarter is unalienated Crown land which is presently occupied under Cultivation Lease from this Department, while title to the North East quarter is vested in this Department, having been acquired through Tax Recovery proceedings and is occupied at present under Grazing lease from this Department. This land is located in that part of the Province designated Special Areas and in view of this fact there is little likelihood of sale ever being made of same."

The information obtained indicates that the land is such that it is unlikely to be used for farming purposes or disposed of by sale in the near future and no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.
